Stronger and Clearer Each Time

Problem or Task:

Round 1: My First Explanation

Question	Response
What did I notice?	
How would I solve the problem?	
What math words or symbols would I use?	

Feedback

Question	Response
What was clear in my explanation?	
What could I explain more clearly?	
What advice does my partner(s) give?	

Round 2: Stronger and Clearer Explanation

Question	Response
What is my revised explanation?	
What new math vocabulary or symbols did I include?	

Reflection

Question	Response
What improved in my explanation?
