Information Gap

Topic or Problem:

Partner Roles

☐ Student A

☐ Student B

What I Know

Information I Have	Diagram, Numbers, Tables, or Clues

What I Need to Find Out

Questions to ask my partner:

Math Language and Communication

Conversation Starters:

- Can you explain …
- What information do you have about …
- I know that …
- I think we should …
- How did you figure out …
- Our solution makes sense because …

Information I Learned from My Partner:

Solve the Problem Together

Our Strategy	Our Solution

Reflection

Question	Response
How did asking questions help to solve the problem?	
What communication skills did I use well?
