

**Focus on the Major Work of the Level**

**Instructional resource title:** \_\_\_\_\_

**Level of instruction:** \_\_\_\_\_

This tool catalogues where the instructional resource focuses on the Major Work of the Level (MWOTL) as identified through use of the Mathematics Resource Alignment Tool (#1), Dimension 1.1.

1. The following lessons in the instructional resource focus on the MWOTL and should receive the most instructional time and attention. (If a resource appears to span several educational levels, just list here all lessons that apply to the specific level you are addressing.)
  
2. Supplemental materials will need to be located to address the following critical concepts. They represent the MWOTL that is missing or wholly deficient in the resource:
  
3. Here is a suggested order for the lessons selected in Step 1 (and any supplements from Step 2) that will ensure a coherent progression of content:
