

Using Technology to Improve Program Operations

Monday, February 14, 2022

The following list of resources was created by the session participants.

Strategies	Resources
Online registration – A way to gather a lot of information, saves time with fewer errors and programmatic data	Wordpress - A way to create your own website or blog
Online scheduling of assessments	Picktime - An appointment scheduling platform
Marketing firm for social media and creating flyers	
Pay to boost Facebook posts	
Digital badges for completing levels/classes
